

Welcome to "The SeaHorse"

June 2023

We are excited to bring you this first edition of our e-newsletter designed to provide you with updates on the resort and useful information about our partners on Longboat Key.

We are honored to have so many of our guests continue to choose to spend their vacation with us. We know we have had some challenges over the past couple of years, but our goal remains the same as always -- to provide you with an outstanding beach experience. We are working hard to deliver on that goal, and reaching out to our guests is one of our initiatives to do so.

News ...

The SeaHorse Beach Resort has partnered with talented, Longboat Key photographer, John Harkness to provide guests with his beautiful artwork. When you visit, you'll see John's artwork in our lobby and around the building. John's diverse work includes sunsets, amazing wildlife, and beautiful views of the beach. His work is available to purchase at the resort, and he will schedule (when available) beachfront photo sessions for guests. [Visit here to view some of his work.](#)

It Pays to Have Friends ...

The SeaHorse is partnering with select Longboat Key businesses to better serve our guests. We are proud to announce "The Lazy Lobster", located just minutes from the resort, is one of those partners. To kick-off the relationship, we are offering upcoming guests the opportunity to win one of two \$25 gift cards to the restaurant. Simply follow us @Sea Horse Beach Resort Longboat Key Florida on Facebook, and we will enter your name in our drawing for a gift card!
